

## **iRhythm Technologies to Present at the BMO Capital Markets 2019 Prescriptions for Success Healthcare Conference**

June 5, 2019

SAN FRANCISCO, June 05, 2019 (GLOBE NEWSWIRE) -- iRhythm Technologies, Inc. (NASDAQ: IRTC), a leading digital health care solutions company focused on the advancement of cardiac care, today announced the company will be participating in the upcoming BMO Capital Markets 2019 Prescriptions for Success Healthcare Conference in New York, NY.

iRhythm's management is scheduled to present on Tuesday, June 25, 2019 at 9:20am Eastern Time. Interested parties may access a live and archived webcast of the presentation on the "Investors" section of the company's website at: [www.irhythmtech.com](http://www.irhythmtech.com).

### **About iRhythm Technologies, Inc.**

iRhythm is a leading digital health care company redefining the way cardiac arrhythmias are clinically diagnosed. The company combines wearable biosensor devices worn for up to 14 days and cloud-based data analytics with powerful proprietary algorithms that distill data from millions of heartbeats into clinically actionable information. The company believes improvements in arrhythmia detection and characterization have the potential to change clinical management of patients.
